Case No. 2:23-cv-10270-FLA (ADSx)

**ORDER DISMISSING ACTION  
[DKT. 20]**

1 On March 6, 2024, the parties filed a Notice of Settlement, stating they had  
2 entered into and executed a written settlement agreement and anticipated filing a  
3 stipulation to dismiss the action with prejudice once the agreement was performed  
4 fully. Dkt. 20.

5 Having considered the Notice of Settlement and finding good cause therefor,  
6 the court hereby ORDERS:

- 7 1. All deadlines governing this action are VACATED.
- 8 2. The court DISMISSES the action without prejudice. The court retains  
9 jurisdiction to vacate this Order and to reopen the action within sixty (60)  
10 days from the date of this Order, provided any request by a party to do so  
11 shall make a showing of good cause as to why the settlement has not  
12 been completed within the 60-day period, what further settlement  
13 processes are necessary, and when the party making such a request  
14 reasonably expects the process to be concluded.
- 15 3. This Order does not preclude the filing of a stipulation of dismissal with  
16 prejudice pursuant to Fed. R. Civ. P. 41, which does not require approval  
17 of the court. Such stipulation shall be filed within the aforementioned  
18 60-day period, or by such later date ordered by the court pursuant to a  
19 stipulation by the parties that conforms to the requirements of a showing  
20 of good cause stated above.

21  
22 IT IS SO ORDERED.

23  
24 Dated: March 8, 2024
